SUMMARY

I'm Yadav Shreyash, currently pursuing my BCA degree from V.T. Poddar College. I have a strong interest in full-stack web development and love building clean, responsive, and user-friendly web applications.

Right now, I'm working on two key projects:

- Myntra Clone – A fully responsive e-commerce web application using HTML, CSS, JavaScript, and integrated with React for a dynamic UI.
- Web Chat Application – Built using Node.js, react .js this real-time chat app supports instant messaging and clean ..

I'm constantly learning and exploring new technologies like MongoDB, REST APIs, and Git to sharpen my development skills. Passionate about solving real-world problems through code, I'm always looking for opportunities to grow and collaborate.
